Please read carefully and initial each item.

_____ 1. Owner understands and agrees that pet (or pets) shall not leave Home Away From Home (HAFH) until all charges are paid.

_____ 2. Owner specifically represents that he/she is the owner of the boarded pet, or has been authorized by the Owner of the pet to enter into this Contract as the Owner's agent.

_____ 3. Owner agrees to pay the boarding rate for all services prior to checkout. Rates are subject to change.

_____ 4. Owner understands that extra charges may be added to the bill at discretion of management for special handling or treatment that is above and beyond routine care, i.e. an unexpected bath, etc. Special handling is defined as services beyond our standard boarding care due to behavior problems, excessive accidents, health issues, or other unexpected care not anticipated at time of check in. Owner agrees to pay all such charges.

_____ 5. All pets entering HAFH must be clean and flea free. If upon inspection, this is not the case, a flea bath will be given at Owner's expense for canines. Felines will be treated with Flea Treatment for an additional cost.

_____ 6. HAFH shall exercise due and reasonable care for each pet while boarding. Under this reasonable care, Owner releases HAFH from, and waives all claims and liability against HAFH for or attributable to, injury or illness of pet. Owner agrees that Owner shall be solely responsible for any and all acts and behavior of said pet while it is in the care of HAFH. Owner will be charged Damage Fees for any damage caused by pet to HAFH structure and/or HAFH property.

_____ 7. Owner represents that pet is healthy and has not been exposed to any known communicable disease within the thirty-day period immediately prior to boarding. Owner agrees to disclose to HAFH all known medical conditions and/or behavior problems, which may affect pet's care prior to check in. Owner shall inform HAFH of any changes in pet's condition and behavior at or prior to check in for all subsequent boarding stays.

_____ 8. HAFH specifically requires all pets be vaccinated against communicable diseases prior to boarding. HAFH reserves the right to refuse admittance to any pet that shows signs of illness or that does not meet HAFH's vaccine requirements. Despite these precautions, Owner acknowledges that Owner's pet will be in an environment with other pets during boarding, and understands that any pet may harbor and spread a communicable disease. Owner releases HAFH from, and waives all claims and liability against HAFH for, all losses, damages, costs and expenses arising out of or in connection with any communicable disease contracted by Owner's pet during boarding.

_____ 9. Owner understands that if pet is not picked up within 14 calendar days after the day pet is scheduled for pick up or there has been no communication from the owner or other person with authorized responsibility for the pet in this time, pet shall be deemed abandoned. HAFH then has the right to contact the proper authorities regarding an abandoned animal.

_____ 10. Owner releases HAFH from, and waives all claims and liability against HAFH for damage to, or loss of, personal equipment or belongings provided by Owner for pet while the pet is boarded. Items not taken home at check out will be donated if not picked up within 60 days of check out date.

_____ 11. Owner understands that HAFH reserves the right to refuse service due to pet's behavior or health, excessive cancellations, no shows, or late pick ups or drop offs, non-payment, or violations of said contract.

_____ 12. Owner understands that HAFH will do all it can to ensure that owner's pet will have a safe and enjoyable boarding experience. Owner releases HAFH and its staff, and will hold HAFH and its staff harmless from any liability or loss attributable to death, injury, illness, or loss of pet or from any liability or loss from any acts or condition of pet, including without limitation, damage to property, persons, or animals. In no event shall liability of HAFH or its staff, even for negligence, gross or otherwise, exceed \$300, and Owner will hold HAFH and its staff harmless from any liability or loss in excess of this amount.

_____ 13. In the even of illness or injury to the pet, HAFH will make reasonable attempts to contact the owner or emergency contact in the file. In the event the pet must go to the vet, if the vet is local to Grants Pass, HAFH will attempt to take the pet to their preferred vet. If the preferred veterinarian is unavailable or not local, HAFH will take the pet to any available veterinary clinic or Southern Oregon Veterinary Specialty Center.

_____ 14. For boarding reservations, the owner agrees to pay a deposit of no less than the price of one night's stay for the reservation. This deposit will be applied to the balance of the bill when the pet is checked in. If the owner does not show up for the reservation or does not call to cancel the reservation by 10:00 am the day of the reservation, HAFH will not refund the deposit.
